Chapter 11

Debtor.

Hon. John T. Gregg

/

DEFINITIVE ORDER

The above-captioned debtor (the “Debtor”) has filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code, 11 U.S.C. § 101 *et seq.* Accordingly, the court has decided to enter this Order with respect to the operation of the Debtor’s business without the need for a hearing.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. Operation. Pursuant to 11 U.S.C. §§ 363 and 1108, the Debtor, as a “debtor in possession,” is authorized to remain in possession of its assets and to continue operations in the ordinary course of business until further order of the court.
2. Use of Cash Collateral. The Debtor shall not use cash collateral as defined in 11 U.S.C. § 363 absent the consent of each entity with an interest in the cash collateral, or authorization pursuant to an order of the court. Any request for an order authorizing the Debtor to use cash collateral must comply with Fed. R. Bankr. P. 4001(d). *See* LBR 4001-2. Nothing contained in this Order, however, shall be deemed or construed to authorize the use of cash collateral.
3. Payment of Pre-Petition Debts Prohibited. The Debtor shall not pay debts incurred prior to the filing of the petition, including taxes, unless such payments are authorized by the court.
4. Professional Fees and Expenses. No fees or expenses shall be paid to any attorney, appraiser, accountant, auctioneer, or other professional person retained under 11 U.S.C. §§ 327 and 1103 unless authorized by order of the court.
5. Purchases and Sales. The Debtor may buy and sell merchandise, supplies, and property in the ordinary course of business, provided that any such purchases and sales are necessary and essential for its operation. All purchases or sales shall be for cash or for credit not to exceed terms of thirty (30) days. All transactions not in the ordinary course of business require specific authorization by the court.

6. Bookkeeping. As of the date of entry of the order for relief, the Debtor shall close its existing books and open new books, maintaining a full and accurate accounting with respect to receipts, disbursements, purchases, accounts receivable, and accounts payable.

7. Authorized Bank Accounts.

(a) The Debtor shall close all bank accounts existing as of the petition date and open new accounts in the name of the debtor in possession at a financial institution approved by the United States Trustee. All cash assets of the Debtor shall be transferred to and held in authorized debtor in possession accounts. The Debtor shall maintain a segregated tax escrow account for the payment of taxes.

(b) The Debtor's checks shall bear the term "debtor-in-possession" and the Debtor's case number.

(c) Financial institutions which open accounts for any debtor in possession shall comply with 11 U.S.C. § 345(b).

8. Tax Escrow Requirements.

(a) Within 30 days of the entry of this Order, the Debtor shall file all tax returns which were delinquent as of the date of filing of this case. The Debtor shall pay all federal, state, and local tax liabilities incurred after the filing of the case, including property taxes, as they become due, and shall file all reports, returns, or other documents required to be filed on the dates due. Prepetition taxes shall not be paid unless payment is authorized by the court. The Debtor shall pay federal taxes using depository receipts and shall file returns as required by Internal Revenue Service regulations.

(b) Pending payment of taxes, the Debtor shall deposit all funds necessary to pay its taxes, whether federal, state, or local, in its segregated tax escrow account, including any taxes which applicable law requires the Debtor to collect from third persons and to remit to the taxing authority (e.g., funds due the Internal Revenue Service under 26 U.S.C. §§ 3102, 3402(a), 3111, and 3301). All taxes of any description should be paid from the tax escrow account.

9. United States Trustee. The Debtor shall furnish to the United States Trustee such reports and information as the United States Trustee may reasonably require to supervise the administration of the estate. Such reports shall be signed by an authorized representative of the Debtor who shall acknowledge and attest to the accuracy of such reports. The originals of such reports and information shall be filed with the Clerk of the Court. Copies shall be served upon the Office of the United States Trustee, The Ledyard Building, 2nd Floor, 125 Ottawa NW, Suite 202R, Grand Rapids, MI 49503, and upon the chair and attorneys for any committees that may have been appointed in this case.

10. Salaries and Draws. Within fourteen (14) days of the petition date, the Debtor shall file with the Clerk of the Court a schedule of proposed salaries to be paid to employees and draws to be paid to equity interest holders. A copy of such schedule shall be served upon the United

States Trustee, and the chair and attorneys of any committee appointed in this case. Upon the expiration of fourteen (14) days from the petition date and absent the filing of any written objection by a party in interest, the proposed salaries and draws are approved and may be paid unless and until this court orders otherwise. No changes may be made in such salaries and draws unless an amended schedule, subject to the same notice and objection procedures as the original schedule, is filed.

11. Required Insurance.

(a) The Debtor shall maintain adequate insurance coverage on all assets of the estate and shall maintain insurance for the protection of its employees and customers.

(b) The Debtor shall not use uninsured assets of the estate in the operation of its business without the permission of this court, nor shall the Debtor continue business operations without adequate insurance coverage.

(c) The Debtor shall file a schedule of insurance coverage within fourteen (14) days of the petition date.

12. Special Provisions for Corporate Debtors. In the event that the Debtor is a corporation, all present and future officers, directors, and controlling shareholders of the Debtor are personally responsible for ensuring that the Debtor complies with this Order, as well as all future orders of this court. Any change in officers or directors shall be reported in writing by filing a notice on the docket in this case and serving the same on the United States Trustee within fourteen (14) days of such change.

13. Plan Date. The Debtor should be prepared to provide a reasonable date for the filing of a plan of reorganization and disclosure statement at the United States Trustee's request at any initial conference or meeting of creditors pursuant to 11 U.S.C. § 341.

14. Amendments. This Order is subject to modification by the court upon its own initiative or upon the motion of any party in interest.
